

Please ensure you have a mental health care plan or have spoken to your insurance provider prior to session if you intend to claim a rebate. Assessments will require a non-refundable despot if \$200. This can be waived/returned if 14 days' notice is provided prior to cancellation. As our clinicians travel NSW, this fee covers the losses from no shows or late cancellations. It also allows us to re-schedule other clients on our waitlists. Upon booking your first session, you will be asked to provide credit or debit card details that will be stored securely in your file in our practice management system, Halaxy. Charges will only be made if you attend a session or trigger the cancellation fee. A Cancellation fee will be triggered in the event of a "no show" or a cancellation of less than 24 hours notice. Sessions are automatically billed 30 minutes into the appointment. If you do not wish to pay via card, we accept bank transfer and payments must be made 72 hours prior to the session to allow funds to clear. we do not accept cash payments. **Please note**, this schedule of fees does not apply to Victims Services, Workcover, NDIS or other services where the price structure is mandated or regulated by the state or federally.

Consult Type	Standard Fee	Medicare Rebate	You Pay*
